Addendum to the

Certificate of EC-Conformity for MNS Low Voltage Swichgear System

The latest certificate on EC-Conformity of DEAST is refering to EN 60439-1:2004.

For other local manufacturer it is recomended to submit there own declaration on conformity to EC as local adaptions on the product and the routine tests in the factory acc. to subclause 8.3 are in the responsibility of the local unit.
