Underwriters Laboratories Inc.® (UL) issues this certificate to the Firm named above, after assessing the Firm's environmental management system and finding it in compliance with

ISO 14001:2004

ENVIRONMENTAL MANAGEMENT SYSTEM

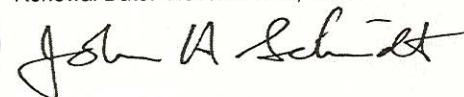

for the following scope of registration

The environmental management system of ABB Inc. Power Products High Voltage Division USA associated with the design, manufacture and field services of high voltage circuit breakers located at Mount Pleasant, Pennsylvania, USA; the remanufacturing of high voltage equipment and component warehousing at Greensburg, Pennsylvania, USA; and the design and manufacture of surge arresters and optical sensors and systems for high voltage applications at Youngwood, Pennsylvania, USA.

The remote location at 3 Independence Way, Suite 206, South Brunswick, New Jersey performs the following primary functions: Sale and administration of the installation of high current systems and gas insulated switchgear (Field Services).

This environmental management system registration is included in UL's Directory of Registered Firms and applies to the operations of the address(es) shown above. By issuance of this certificate the firm represents that it will maintain its registration in accordance with the applicable requirements. This certificate is not transferable and remains the property of Underwriters Laboratories Inc. ®.
