Components

Components for use in installations and systems

Declaration

We ABB Automation Products AB, Substation Automation Division, S-721 59 Västerås, Sweden, declare under our sole responsibility that the family:

COMBIFLEX measuring relays, energized from RXTUG 22, (DC/DC converter).

Types:
RXHL 401 acc. to Buyer's Guide 1MRK 509062-BEN, febr. 00

to which this declaration relates is in conformity with the following standard(s) or other normative document(s)

Standards

EN 50 081-2: 1993
EN 50 082-2: 1995
EN 60 255-6: 1994
EN 50 178: 1997

following the provisions of

Directives

EMC Directive 89/336/EEC
Low Voltage Directive 73/23/EEC

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

Application of the objects The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
