### Application of this document

This document is intended for use as an approval for CE-marking of below mentioned products:

### Category

Family of

Apparatus

### Declaration

We **ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden**, declare under our sole responsibility that the family:

Busbar Protection IED

Type:  
REB 670, Ver.1.1  
acc. to Buyer's Guide  
1MRK 505182-BEN, -BUS

to which this declaration relates is in conformity with the following directives

Directive

EMC Directive 89/336/EEC  
Low Voltage Directive 73/23/EEC

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

**Application of the objects** The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
