Application of this document

This document is intended for use as an approval for CE-marking of below mentioned products:

Category

Family of

Apparatus

Declaration

We ABB AB, Substation Automation Products, SE-721 59 Västerås, Sweden, declare under our sole responsibility that the family:

Line Distance Protection
IED

Type:
REL 670, Ver.1.1
acc. to Buyer's Guide
1MRK 506279-BEN, -BUS

to which this declaration relates is in conformity with the following directives

Directive

EMC Directive 89/336/EEC
Low Voltage Directive 73/23/EEC

Our internal quality control system ensures compliance between the manufactured products and the technical documentation.

Application of the objects

The family is intended for use in the industrial environment and to protect high voltage or high power apparatus, and thus normally used in a harsh electromagnetic environment near high voltage apparatus.
